

**Round 2 Data Questions and Answers for
RFP Number 2013-CMFD-01**

Question	Response
<p>Question 1: I am parsing the data and have come up with an issue on H1 (Header Institutional) file layout. In the following lay out</p> <p>H1-HDR-SURG 997 13 A Surgical Procedures and associated dates, 5 positions given for first occurrence</p> <p>H1-HDR-SURG-CODE 997 6 A Surgical Procedure code</p> <p>H1-HDR-SURG-DATE 1003 8 A Date associated with surgical procedure code</p> <p>H1-HDR-TYPE-BILL 1062 3 A UB-BILL Type</p> <p>H1-PROV-DISPRO-SHR 1065 1 A Disproportionate Share Indicator</p> <p>I think the highlight 6 should be a 5. When I do the math $5 * (6+8) = 70$</p> <p>When I subtract $1062-997 = 65$</p> <p>So I have 1 extra character per instance Please investigate and let me know how to proceed with the columns.</p>	<p>Error in layout: claims 201010 thru 201106.xlsx</p> <p>H1-HDR-SURG-CODE 997 6 A Surgical Procedure code</p> <p>The field length should have been 5 not 6</p> <p>H1-HDR-SURG-CODE 997 5 A</p>
