## IF THIS IS YOUR FIRST TIME ATTENDING AN ALABAMA AT&T CONNECT WEBINAR:

Download the Participant app 15 minutes prior to the start time. You MUST have download privileges to do this step. If not, there are two choices:

- Contact your IT Department for assistance in downloading the application
- Select WEB PARTICIPANT (There are feature limitations with this app)

## TO CONNECT WITH YOUR TELEPHONE:

Dial Toll Free: **1-877-489-4795**

- When prompted, enter the **Event Number: 649278**

## TO ENSURE A SUCCESSFUL MEETING: Please. . .

- Dial in at least a few minutes early and give your name and affiliation/agency after your line connects
- Be aware that background noise or music may result in termination of the webinar for all attendees or placement of the meeting in “listen-only” status.
- To prevent this:
  - Mute your phone as soon as possible with \*6 (or by using your phone’s mute button); press \*6 to un-mute when you need to speak
  - Avoid calling in on a cell phone or while using Bluetooth technology since that may cause an echo.
  - Never put your phone on hold because any subsequent recorded music or messages will filter through the line.
- When speaking, always identify yourself and your affiliation/agency

***Thanks, for your cooperation!***
