

Prosthetics, Orthotics and Pedorthics (POP) Program Update

January 7, 2015

The Alabama Medicaid Agency's Prosthetics, Orthotics and Pedorthics Program is informing providers effective for dates of service on or after **January 1, 2015**, code L5652 has been added for coverage through the POP Program.

- L5652 - Addition to Lower Extremity, Suction Suspension, Above Knee or Knee Disarticulation Socket
- Recipients are limited to 2 units per calendar year
- Reimbursement Allowed Amount is set at \$279.91
- Now covered for recipients age 21y – 65y

All appropriate documentation must be kept in the recipient's file and will be monitored by Alabama Medicaid on a quarterly basis.
