

Timeline for LTC Rebalancing Subcommittees

Subcommittee Name: Legislative Matters Subcommittee

Medicaid contact person: Audrey Middleton 242-5019

Charge: The *Legislative Matters Subcommittee* is charged with determining what steps are needed politically to facilitate long-term care policy changes within the state of Alabama. Long-term care must move from just being a problem that can be addressed on an individual basis to a policy problem that requires individualized attention. Legislators must understand long-term care issues and make thoughtful decisions about the best tactics and strategies to proactively modify and manage the state's long-term care programs.
